## **ISSUE:**

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration has been completed:

- Routes 5, 97, and 265 in Siskiyou County – Rehabilitate roadway in Weed.

The project is fully funded in the 2004 State Highway Operation and Protection Program for construction in Fiscal Year 2005-06. The total estimated project cost is \$5,831,000. The City of Weed will also contribute a currently undetermined amount of funds for signalization and aesthetic treatments as part of the project.

A copy of the Negative Declaration has been provided to California Transportation Commission (Commission) staff. The Department of Transportation (Department) has approved the project for construction. This approval and the filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.

## **RECOMMENDATION:**

The Department recommends that the Commission, as a responsible agency, approve the attached Resolution E-05-08.
